

24/12 CRYOGENIC GAS INDUSTRIES

QUALITY | COMMITMENT | VALUES
Three Pillars of Our Growth

*A forward
looking
enterprise*

PG Group is a futuristic and forward looking business conglomerate with presence in Infrastructure, Real Estate, Restaurant Chain, Hospitality, Agro Products Trading and Industrial Gas. With committed teams and separate entities operating in different sectors, the group is taking progressive steps ahead.

Chairman's Desk

My warm regards to you all. Turning challenges into opportunities has been our passion. Customer trust is our strong foundation. We at 24/12 Cryogenic Gas Industries are totally quality focused and customer centric. We are proud of the fact that we faced the challenges very strategically and have succeeded in expanding when other companies could not.

We are confident that we would be able to capitalize on demand revival with enhanced production and providing larger volumes at lower production costs. Our strategy is woven around 'volume' and we have strengthened our value chain in order to gain competitive advantage.

With our best in class portfolio of specialized products and services and committed team, we exceed customer expectations. That is how we achieve highest scale by rising above the trends and defining our own path.

Mr. Prakash V. Gaikwad

Chairman
